

Windows 10 setup guide - eduroam

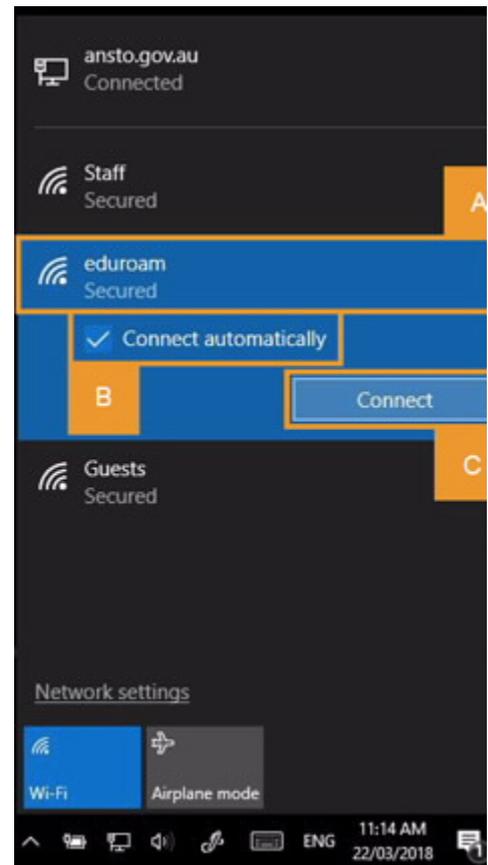

Step 1

- A. Click '**Internet access**' on the task bar

Step 2

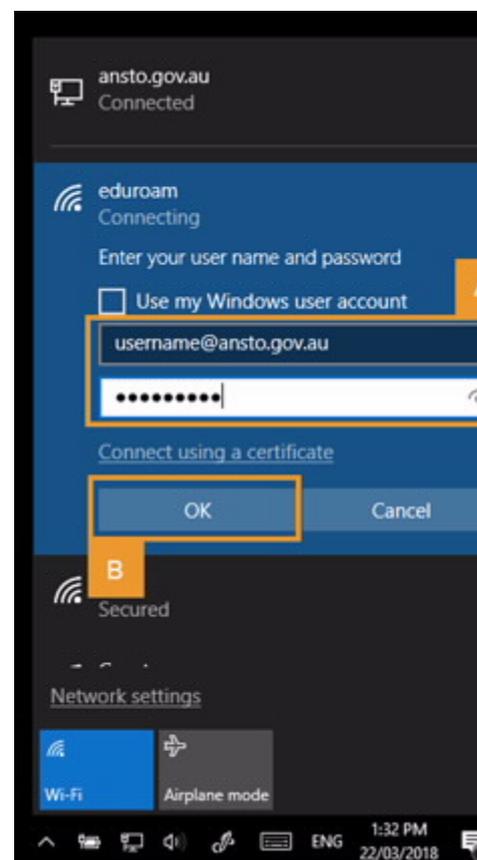

- A. Click '**eduroam**'
B. Select 'Connect Automatically'
C. Click '**Connect**'

Windows 10 setup guide - eduroam

Step 3

- A. Enter your username in the following format: username@ansto.gov.au (for ANSTO accounts) and your password
- B. Click **'OK'**

If eduroam is rejecting your username/password ensure that your username is in the appropriate format (i.e. username@ansto.gov.au).

This process can take some time and it is not unusual to see a message 'This is taking longer than expected'. If you get the same screen as the previous step then it's likely that the username &/or password is incorrect.
