

Personal Information Collection Notice:

Australian Synchrotron User Hub

By creating an account on the Australian Synchrotron User Hub, you are providing personal information to the Australian Nuclear Science and Technology Organisation **ABN 47 956 969 590** (ANSTO, we, us or our). This information is collected, used and disclosed by ANSTO in accordance with this collection notice, ANSTO's [Privacy Policy](#) and the [Privacy Act 1988](#).

Why do we collect this information?

ANSTO collects this information to assess and consider applications for beamtime access and to keep you updated on the status of your applications.

What personal information is collected?

Personal information collected includes: first and last name, contact details, organisation/academic affiliation and citizenship status. Sensitive information which may be collected includes gender information. You can opt not to provide this sensitive information.

What if we didn't collect this personal information?

Without your personal information ANSTO may not be able to consider or approve your beamtime proposal. There are no consequences for not providing sensitive information.

How will my information be used and who will have access to my information?

Your information will be treated confidentially and will be stored securely on ANSTO's servers.

Your beamtime proposal and supporting information may be disclosed overseas to facilitate merit assessment and in satisfaction of specific national user agreement conditions.

ANSTO may use your deidentified information including gender for reporting and statistical purposes.

You can access and correct your personal information

ANSTO's privacy policy contains information about how you may access your personal information and seek correction of such information; as well as how to complain about a Privacy breach and how we will deal with such a complaint. Our privacy policy is accessible at <https://www.ansto.gov.au/privacy-policy> or by emailing privacy@ansto.gov.au
