Australian Synchrotron  
User Meeting

Wed 26th - Fri 28th November 2025

*Illuminating synchrotron science!*

We look forward to welcoming you at this special meeting of the synchrotron user community at the Australian Synchrotron. The User Meeting is a fabulous opportunity for established and new or prospective users to learn and share everything about the synchrotron. During this event you will have the chance to reunite with colleagues, converse with synchrotron scientists, mingle with leaders in the field, and make new friends over the science we love. As always, the 2025 User Meeting provides the opportunity to celebrate excellence in synchrotron science through the ECR and MCR Research Awards and the Stephen Wilkins Thesis Medal. More information will soon be available on the User Meeting 2025 website.
