POSITION PURPOSE

The role of the Marketing and Events Co-ordinator is to project manage and co-ordinate engagement, events, and marketing activities of Nuclear Science & Technology (NST) as part of the NST Industry and Stakeholder Engagement Team (NISE).

ORGANISATIONAL ENVIRONMENT

ANSTO leverages great science to deliver big outcomes. We partner with scientists and engineers and apply new technologies to provide real-world benefits. Our work improves human health, saves lives, builds our industries, and protects the environment. ANSTO is the home of Australia's most significant landmark and national infrastructure for research. Thousands of scientists from industry and academia benefit from gaining access to state-of-the-art instruments every year.

Nuclear Science & Technology (NST) incorporates ANSTO's research, innovation, landmark research infrastructure and associated platforms and capabilities. NST conducts research and development in relation to nuclear science and technology and connects people, transfers knowledge, and provides nuclear-based products and services for the benefit of Australia.

NST Strategic Research Services and Engagement (SRSE) provides high quality services to NST and ANSTO and delivers research and research infrastructure outcomes and translates outputs generated from research and development conducted in NST into products, services, and new intellectual property.

The NISE team are located in VIC and NSW and the Marketing and Events function is key to building awareness of ANSTO's expertise with external stakeholders and strengthening our outreach activities.

ACCOUNTABILITIES & RESPONSIBILITIES
