

Walking from ANSTO to Barden Ridge

- There is a convenient, safe shared path for pedestrians and cyclists connecting ANSTO with Barden Ridge.
- Do not walk along New Illawarra Road.

1. Starting from ANSTO: walk past the Lucas Heights Motel, the childcare centre, and the environmental science building.
2. Go through GATE 18 onto concrete path.
3. Walk to Barden Ridge along concrete path, which then continues onto Menai and even Sutherland.
