

Competition Entry Form - Shorebirds in Botany Bay

Open to Stage 2 and 3 students of local primary schools

Closing date: Extended to 26 October 2018

Student Name:	
Class:	
School:	

Directions

Find out about shorebirds in Botany Bay. You can include these avenues for information:

- Researching online or visiting the library
- Walking the Woollooware Bay Shared Pathway, looking for shorebirds and reading the information boards
- Visiting the “Overwintering Project: Bound for Botany Bay” exhibition at Hazelhurst Arts Centre between 8 and 18 September 2018.

Draw or paint a shorebird that is found in Botany Bay in the box below and write some information in the spaces provided. You can draw or paint on a separate sheet of A4 white paper, but must glue the completed entry form to the back. **Return the entry form to your teacher when you have completed it.**

The name of my shorebird is:

Two interesting facts about these shorebirds are:

.....

.....

One way I can help to protect this shorebird is by:
