

New User Symposium 2019

Program

Tuesday 10 September 2019

Program	
8.00 – 8.45	Registration
8:45 – 9:00	Welcome and Opening Remarks Dr Miles Apperley Head of Research Infrastructure, ANSTO
9:00 – 9:30	What's Brilliant and BRIGHT at the Australian Synchrotron Prof Michael James Senior Principal Scientist, Australian Synchrotron
9:30 – 9:50	Presentation 1: Infrared Microscopy Beamline Jitraporn (Pimm) Vongsivut Australian Synchrotron
9:50 – 10:10	Presentation 2: Imaging & Medical Beamline Daniel Hausermann Australian Synchrotron
10:10 – 10:40	Morning tea
10:40 – 11:00	Presentation 3: Soft X-ray Beamline Lars Thomsen Australian Synchrotron
11.00 – 11.20	Presentation 4: Macromolecular Crystallography Beamline Kate Smith Australian Synchrotron
11.20 – 11.40	Presentation 5: Terahertz/Far-Infrared Beamline Ruth Plathe Australian Synchrotron
11.40 – 12.00	Presentation 6: AINSE Facilities Michelle Durant AINSE
12.00 – 1:40	Lunch and Tours of the Australian Synchrotron
<i>Please meet at Reception at 12:00pm if you are participating in a tour of the Synchrotron. Lunch will be reserved for you when you return from the short tour.</i>	
1:40 – 2:00	Presentation 7: Powder Diffraction Beamline Anita D'Angelo Australian Synchrotron
2:00 – 2:20	Presentation 8: X-ray Absorption Spectroscopy Beamline Jessica Hamilton Australian Synchrotron
2:20 – 2:40	Presentation 9: Small & Wide Angle X-ray Scattering Beamline Pablo Mota Santiago Australian Synchrotron
2:40 – 3:00	Presentation 10: X-ray Fluorescence Microscopy Beamline Juliane Reinhardt Australian Synchrotron
3:00 – 3:30	Afternoon tea
3:30 – 3:50	Presentation 11: Accessing the Australian Synchrotron Scott Kendall Australian Synchrotron
3:50 – 16:10	Presentation 12: Laboratory Facilities at the Australian Synchrotron Clare Scott Australian Synchrotron
16:10 – 16:15	Closing Remarks
16:15 – 17:15	Cheese and wine networking
