Terms

The winning entries will be announced on World Shorebirds Day, 6 September 2020. Winning schools will be notified by phone or email.

ANSTO reserves the right to display the entries and student names, classes and schools on its website, social media and at public events.

The decisions made by the judging panel will be final and no correspondence will be entered into.

Entries will only be returned, by the end of Term 4, if a self-addressed stamped envelope has been received.

School prizes must be redeemed by 30 June 2021.

Judging

Posters will be blind judged by a panel of invited judges and ranked with a scoring system.

Judging will be based on creativity/artistic merit and relevance/accuracy. Creativity/artistic merit includes the originality of the poster design and message and the artistic use of technique or colour to create impact.

Relevance/accuracy means that the message is relevant and accurate, and that the shorebird depicted is recognisable with most distinguishing features shown. Although creativity is encouraged, the shorebird should not be stylised beyond recognition.
