

WIN
an awesome
science
experience

Including: Flights, travel,
accommodation
and meals

What's your big idea that could change the world?

Teams of two

ANSTO Big Ideas encourages students to creatively communicate the work of an Australian scientist, and explain how their work has inspired them to come up with a Big Idea to make our world a better place. It is intended to engage and support Australian students in years 7-10 in Science and encourage them to pursue studies and careers in STEM.

Open to students
— from years —
7-10

Entries close
20 Sept
2020

How to enter

Speak →
to your teacher

Research →
an Australian scientist and their scientific discovery and create your Big Idea

Storyboard →
and script what you're going to say

Shoot →
and edit your video 2 mins (maximum)

Submit
A teacher must submit your application by 20 Sept 2020

Your Big Idea could win you an awesome Science Experience at the Australian Synchrotron in Melbourne (Y7-9) or at the ANSTO campus in Sydney (Y10). Prize includes flights, travel, accommodation and meals for your team and teacher.
